# THE DAN BONGINO SHOW

**Dan Bongino** tackles the hot political issues, debunking both liberal and Republican establishment rhetoric.

A former Secret Service Agent, NYPD veteran, and New York Times best-selling author, Bongino is best known amongst conservatives for his willingness to take on the Left and the Republican Establishment through his campaign for Congress, which nearly resulted in a historic political upset in the liberal bastion of Maryland.

These experiences uniquely situate Dan to provide the best commentary and analysis from not only a law enforcement viewpoint, but also one that directly attacks the philosophical underpinnings of the Left and Big Government Republicans.

# LISTENERS LOVE DAN BONGINO

I am happy to hear that Dan Bongino is starting a radio show and he will take the noon to three slot. I don't know of a better person to take over that time slot. I want to be a listener on day one. Congratulations! I look forward to hearing Dan on the radio! - Dan R.

Thrilled beyond measure to hear Bongino will be taking over the Limbaugh time slot. I told my wife after Rush passed away that Dan would be a perfect person to fill Rush's time slot. HIP HIP HOORAY!!! THANK YOU!!

I am thrilled to learn that Dan Bongino will take over the Rush Limbaugh Show time slot. He is an excellent choice, and he will make the show his own while still honoring those who forged a conservative voice in the world of talk radio. I listen to WLS 890 in Chicago and am looking forward to Dan's debut on May 24. Good job, Westwood One, for snagging Dan Bongino!

Sincerely,  
Milanne B.
