OLDIES

GOOD TIME OLDIES features the three decades of pop, soul, and rock & roll. Nothing but the best from the '60s and '70s with one early-to-mid '80s an hour. A healthy portion of “oh-wow” songs, too. The music is up tempo and the presentation is full of energy. Plus, special theme weekends showcase each week featuring the biggest artists and fun themes.

DAVE CAZ
(6a-2p eastern)

Dave's a Southern California native, and while in college he took a job at the local radio station. Before he knew it he was working for major market radio stations. After over 25 years in the business, he hasn't looked back. Dave loves sports, is a foodie and wine enthusiast, and loves to travel. During his downtime he enjoys hanging and entertaining with his family and friends and cuddling up with his rescue pups. When it comes to music: His dad introduced him early to some of the greats, and to this day he enjoys many genres. Dave's favorites include The Rolling Stones, Jimi Hendrix, The Police, Tina Turner, and Madonna!

BECKY SHOCK
(2p-10p eastern)

When Becky's not on the radio, she's probably spending time at a park doing volunteer work, or on the bike trails. She's an avid wildlife and nature photographer, so being able to travel with her camera is her favorite kind of adventure. Yellowstone's her favorite so far! Becky's a big animal lover, and has a senior rescue cat named Leo. Her other hobby is experimental baking. Becky says "I'm lucky to work with people willing to try pretty much anything. There's always someone at a radio station who'll be happy to see free food!" Becky likes lot of different music, including Eric Clapton, Motown, U2, and "you can never go wrong with a little Sinatra."

STEVE 'STU' STUART
(10p-6a eastern)

A football jock through high school and college, Stu eventually got into his other love...music and sports broadcasting. He's been married to his wife Jennifer for over 30 years and has two children and a nutcase dog named Coco. Stu loves going to concerts and hanging at the beach--any beach, anywhere, fishing, surfing, skimboarding, and hanging with family and friends.
